

VOLUNTEER PROGRAM

The Volunteer Program at Rhema Word Theology College and University is a meaningful opportunity for individuals who desire to serve, grow, and make a lasting impact within our campus community and beyond. Volunteering at Rhema is more than simply helping at events—it is an act of service, leadership, and partnership in the mission God has entrusted to this institution. Whether you are a current student, a parent, an alum, a community member, or someone who simply loves to serve, our volunteer program welcomes you with open arms. Volunteers play a vital role in creating excellent, well-organized, and spirit-filled events that bless our students, families, and guests. From campus activities and ceremonies to outreach initiatives and special programs, every volunteer helps create an atmosphere of excellence, hospitality, and unity. This is your chance to use your gifts, your time, and your heart to support something bigger than yourself—while gaining valuable experience, building relationships, and growing in purpose. Rhema believes that every volunteer carries something unique to offer, and

we are committed to providing a supportive environment where you can serve joyfully, confidently, and with impact.

Volunteers can expect opportunities such as:

- **Event Support & Coordination** — Assist with setup, hospitality, logistics, and guest experience during campus events.
- **Community Outreach** — Participate in service projects that uplift and strengthen the surrounding community.
- **Leadership Development** — Grow in responsibility, teamwork, communication, and organizational skills.
- **Campus Engagement** — Help create a welcoming, vibrant environment for students and visitors.
- **Ministry Support** — Serve alongside staff and leaders in areas that align with your gifts and passions.
- **Personal Growth & Connection** — Build meaningful relationships and experience the joy of serving others.

If you feel called to volunteer or simply want to be part of what God is doing at Rhema, we invite you to take the next step.
